## WHAT INSPIRED ME TO JOIN YOUTH FIRST

Morgan, having children of her own who are falling in love with reading, was inspired to assist in creating that same feeling in other children. With numerous children and families who are not able to receive quality education and books to foster their learning, Youth First is the perfect organization to join. The organization's desire to spark curiosity and increase the knowledge of children is a wonderful step toward building a strong future for today's youth.

## ABOUT ME

### A LITTLE ABOUT ME

Morgan was born and raised in Oklahoma City, Oklahoma and currently resides there with her husband and three daughters. In her free time, she enjoys spending time with her family, homeschooling their children, and exploring new places. The rest of the days, hand her a good book and great movie and she is in heaven.

### BUSINESS EXPERIENCE

Previously Morgan worked with youth at the Metro Technology Center summer programs. Her journey there allowed her to assist children in obtaining additional knowledge in the field of career technology. Additionally, having a career in nursing has given her the opportunity to serve those in the medical field as well. She has experience educating patients and families in various aspects of home life and healthcare. Morgan has volunteered at various locations throughout Arkansas and Oklahoma. She also works as an assistant instructor with the youth department at her church.

*Please join us in welcoming Morgan to Youth First.*
